PETITIONING THE COURT

- ☐ To extend the term of supervision for years, for a total term of years.
☒ To modify the conditions of supervision as follows:

The defendant is to perform an additional 25 hours of community service during the term of supervision at a site approved by the probation officer.

CAUSE

On June 20, 2007, Wetzel tested positive for THC, the active ingredient in marijuana. On June 21, 2007, Wetzel admitted to me that she had smoked marijuana approximately one week prior. She further stated that she had been using marijuana on an intermittent basis since the end-of-January 2007.

On June 21, 2007, Wetzel informed me that she was laid-off from her position at Pico Sports Center on April 1, 2007, thereby failing to report changes in employment 10 days in advance. She further failed to report a change in employment in her Monthly Supervision Report for April 2007.

Furthermore, Wetzel improperly filled-out her monthly supervision reports from January 2007 through April 2007, when she neglected to list all of the household residents, to wit: ex-boyfriend, Sean Daniels and as noted above, she further failed to report a change in employment in her Monthly Supervision Report for April 2007.

As a further means of addressing the above non-compliance, Wetzel was also placed on a random drug testing program, referred to out-patient substance abuse treatment and issued a written reprimand. Therefore, I would respectfully recommend the addition of 25 hours of community service as part of the overall sanction for her non-compliant behavior. I would note that this is Wetzel's second instance of violating her conditions of supervision. In the previous violation she had her probation supervision extended for one additional year.
